

# BONITA CANYON ELEMENTARY

*Supporting Our Community*

To Whom it May Concern,

The Bonita Canyon Elementary PTA will hold its annual spring fundraiser, Color the Canyon on March 8th, 2024, to support our children's educational programs. The funds raised allow us to provide and maintain art and physical education classes and they also support reading programs, student assemblies, classroom parties and make it possible for all students to attend field trips.

We would like to invite you to participate in supporting our children's education by contributing an auction item/donation for the event. This is a wonderful advertising opportunity for your business. As a donor, you will be acknowledged on the PTA website, our online fundraiser catalog and highlighted in our weekly newsletter sent to more than 600 recipients who live in Turtle Rock, Turtle Ridge and Shady Canyon communities. The Bonita Canyon Elementary PTA is a non-profit 501(c)(3) organization.

On behalf of the Bonita Canyon Elementary PTA, thank you very much for your consideration. If you are interested in providing a donation to our Color The Canyon spring fundraiser, please contact Rhea Weiss at [rheaweiss@gmail.com](mailto:rheaweiss@gmail.com) or complete the enclosed donation form and return it at your earliest convenience.
