

BC ELEMENTARY PTA

TOGETHER, WE CAN BUILD A GREAT SCHOOL YEAR

Our families are the building blocks of this school.

On behalf of the BC PTA, we'd like to welcome to Bonita Canyon and the 2023-24 school year. The BC PTA supports Bonita Canyon by delivering programs, experiences, and resources that benefit students, teacher, and the school community. This year, we have established several goals that will help your students thrive. However, we need your help...whether that be by donating your valuable time or through financial contributions.

We cannot do what we do without great people like you!

What is the purpose of the PTA?

We continuously try to develop and foster a connection between home and school by supporting parental involvement. How? The goal is to enhance your child's educational experience through a myriad of academic, social, and enrichment activities, as well as providing tools and resources to support the school learning environment.

What are the benefits of PTA membership?

All funds (including membership dues) support our educational enrichment programs (e.g., music, PE, Reflections, and more), experiences (e.g., class parties and field trips), and resources (e.g., classroom supplies) at Bonita Canyon. For more specifics, please visit our web site below. Our goal is to have 100% participation from our families and faculty. Families who join the PTA by the Sept. 29th deadline will be included in and receive a copy of the Bonita Canyon directory, a great way to connect you to other BC families.

Modified on: Sat, Sep 18, 2021 at 11:07 AM

Overview

The Aeries Web Version Parent/Student Portal introduces multi-lingual support: English, Spanish, Vietnamese, Korean, Chinese Arabic and Armenian. When a language is selected, the text in the navigation structure is translated to the selected language. Some languages and screens also translate field headings and in the case of Arabic, the system adjusts to Right-To-Left format.

Eagle Unified School District

After the parent logs in the Home page will display. Any **Alerts** the Parent has received will appear in the **Notification** area in the bottom right corner. If Summer Re-Registration or **Data Confirmation** has not been completed the parent will see a yellow message indicating that they have not yet completed the **Data Confirmation** process.

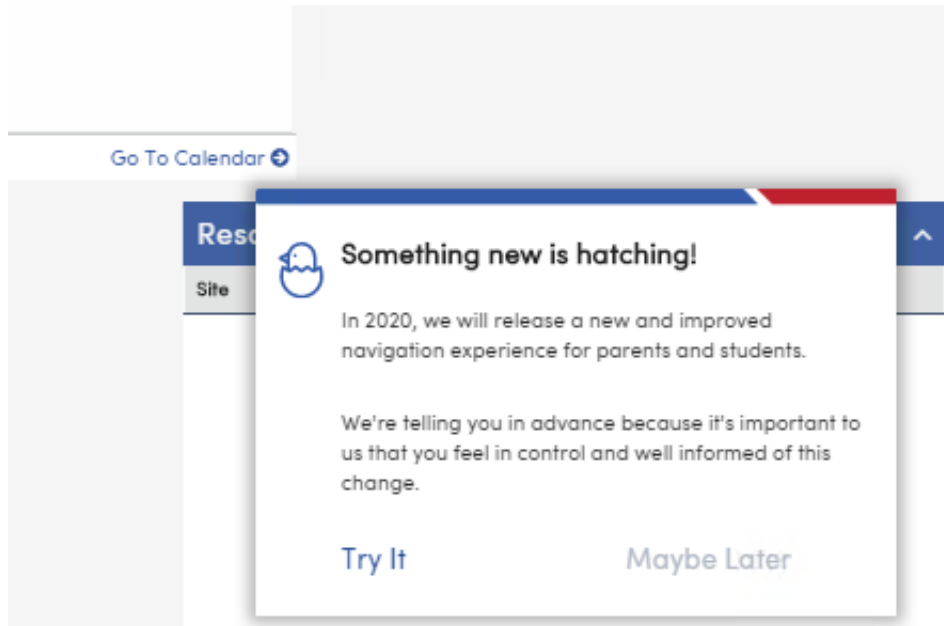

Summer Re-Registration or Data Confirmation allows parents to edit student related information at any point in the year and have that information immediately posted to the Aeries database. Documents are also accessible through the system and digital signatures are collected for Authorization, Prohibitions, and Document Confirmations.

Follow the instructions on each tab below to complete Registration.

In 2019 we set out to completely redesign the Parent Portal to bring it up to modern Web Design standards and make it Mobile-friendly for our Users. The new Parent Portal brings a new interface, navigation, and accessibility features. If you would like to have your Parents and Students preview the new Portal and provide Feedback on it, you can enable the option on the **District Settings** (<https://support.aeries.com/support/solutions/articles/14000076634-district-rules-district-settings->) page, under **Other Settings**.

After the option is enabled, when Parents log into the Portal, they will see a pop-up asking them if they would like to preview the new Parent Portal.

If they choose to **Try It**, they will be taken to the new Parent Portal. They can always return to the Classic View by clicking on their name and choosing 'Turn Off Preview Mode'.

The Parent Portal has a completely new look, is easy to navigate and provides all the same information as the current Portal, but flexible and adaptable for mobile devices.

What is the purpose of this tutorial?

This guide walks you through how to fill out the IUSD online volunteer application.

Step 1:

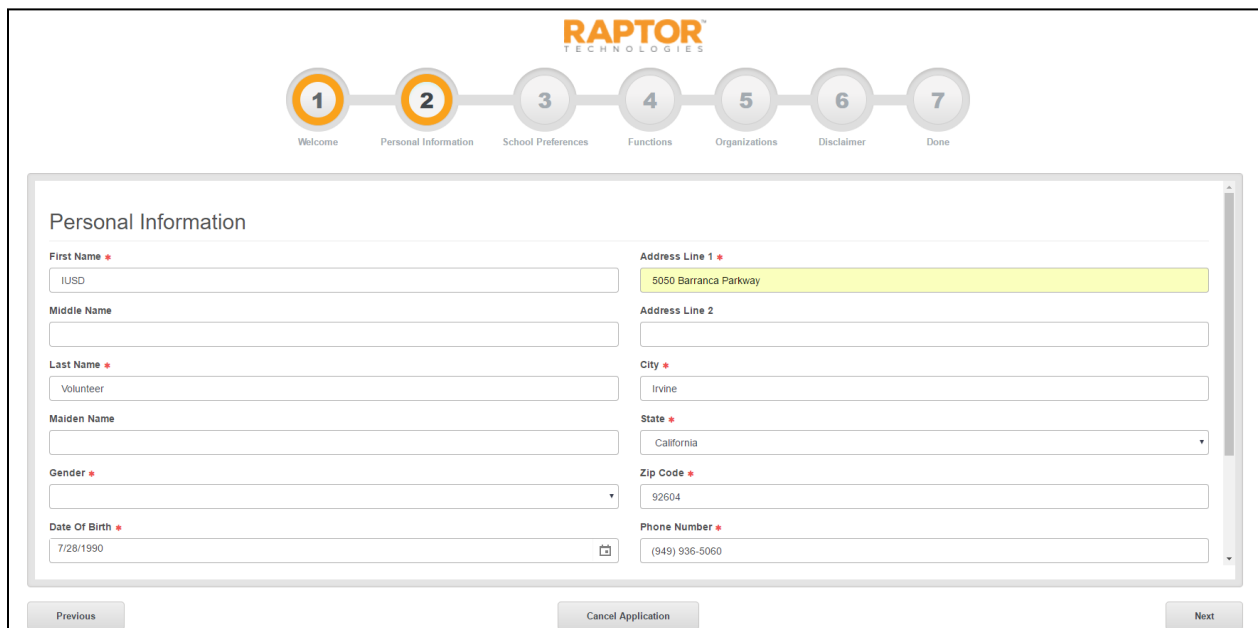

Visit <http://tinyurl.com/iusdvolunteerapp> and you will land on the Welcome Page. Click “Next” at the bottom right of the screen to begin the application.

The screenshot shows the 'District Volunteer Application' welcome page. At the top, the Raptor Technologies logo is displayed. Below it is a progress bar with seven steps: 1. Welcome (highlighted in orange), 2. Personal Information, 3. School Preferences, 4. Functions, 5. Organizations, 6. Disclaimer, and 7. Done. The main content area contains the text: 'Thank you for your interest in becoming an Irvine Unified School District Approved Volunteer. Please begin the process by filling out our application.' At the bottom, there are two buttons: 'Cancel Application' on the left and 'Next' on the right.

Step 2:

Fill in each field with your information. All fields with a red star are required fields. Once you have completed this, click “Next” at the bottom right of the screen to move on.

The screenshot shows the 'Personal Information' form. The progress bar at the top indicates that step 2, 'Personal Information', is the current step. The form contains the following fields:

- First Name ***: IUSD
- Middle Name**: (empty)
- Last Name ***: Volunteer
- Maiden Name**: (empty)
- Gender ***: (dropdown menu)
- Date Of Birth ***: 7/28/1990
- Address Line 1 ***: 5050 Barranca Parkway
- Address Line 2**: (empty)
- City ***: Irvine
- State ***: California
- Zip Code ***: 92604
- Phone Number ***: (949) 936-5060

At the bottom of the form, there are three buttons: 'Previous' on the left, 'Cancel Application' in the center, and 'Next' on the right.

Step 3:

Check all of the schools where you would like to volunteer. Once you have completed this, click “Next” at the bottom right of the screen to move on. *Please note that final approval of volunteers is left to the discretion of the school site. If you have any questions, please contact the school sites that you wish to volunteer at before filling out the application.*

At the top, a progress bar has seven steps: 1 Welcome, 2 Personal Information, 3 School Preferences (highlighted), 4 Functions, 5 Organizations, 6 Disclaimer, and 7 Done. Below the progress bar, the main content area is titled "Please select the schools at which you wish to volunteer". It contains a checkbox for "All Schools (district-wide)". Underneath, there is a section for "Elementary Schools" with a grid of checkboxes for various schools: All Elementary Schools, Brywood Elementary, Cypress Village, Greentree Elementary, Plaza Vista, Stone Creek Elementary, Vista Verde, Alderwood Elementary, Canyon View Elementary, Deerfield Elementary, Meadow Park, Portola Springs, Stonegate Elementary, Westpark Elementary, Beacon Park Elementary, College Park Elementary, Early Childhood Learning Center, Northwood Elementary, Santiago Hills Elementary, Turtle Rock Elementary, Woodbury Elementary, Bonita Canyon Elementary, Culverdale Elementary, Eastshore Elementary, Oak Creek Elementary, Springbrook Elementary, and University Park Elementary. At the bottom of the form are three buttons: "Previous", "Cancel Application", and "Next".

Step 4:

Next, you will be taken to the functions page. This is where you will select the activities in which you are interested in volunteering. Once you have completed this, click “Next” at the bottom right of the screen to move on. *Please note that the functions you select will be the only options available when you sign in as a volunteer at the kiosk. Please be sure to select all if you would like to volunteer for all activities or are unsure of which activities you will be volunteering for. Also, the name on the completed application must be the same name you sign in with at the school site.*
